

Times-Breeze

VOL. LVIII, NO. 22.

REDWOOD CITY, CALIFORNIA, SATURDAY, SEPTEMBER 1, 1917.

ESTABLISHED 1859.

H. C. TUCHSEN APPOINTED SPECIAL ADMINISTRATOR

Judge Buck on Monday appointed H. C. Tuchen special administrator of the estate of Katherine Wahl, who died last week in Redwood City. He will take charge of the property and affairs of the estate until such time as the regular letters will be issued which will be in about two weeks. His bond was fixed in the sum of \$3000.

On Monday Mr. Tuchen filed the last will and testament of Mrs. Wahl. It was executed on December 24, 1913, and the subscribing witnesses were Lee T. Ross and P. A. Ryan. Mrs. Wahl bequeathed eleven twelfths of her estate to her sister, Mrs. Caroline Scherdt, and the following nephews and nieces, Caroline Petrie Gross, Caroline Horber Baker, George Schilling, Joseph Schilling, Sophia Schilling, Bertha S. Stelling, Annie S. Jensen, Mina Scherdt, Louis Schilling, and Caroline S. Stelling. Each

are to receive one-twelfth of the estate. The remaining one-twelfth is bequeathed to Emma Horber, Walter Horber, Louis Horber, and Helen Horber, children of Rudolph Horber, a deceased nephew.

H. C. Tuchen and Joseph Schilling are named as executors to serve without bonds, neither are they required to ask the court for its authorization to sell the real property of the estate.

Mrs. Wahl in the will recommends that her friend, George C. Ross, be employed by the executors to attend to the legal business connected with their duties as such executors. The petition for letters testamentary does not state the value of the estate except that it is in excess of \$10,000. It consists of the Wahl building on Main street and two parcels of property on Beach street.

PITCHER ESTATE TO BE SETTLED

JOHN PITCHER FILES FINAL ACCOUNT—ROSS AND ROSS ARE THE ATTORNEYS

John Pitcher of Halfmoon Bay has filed his final account as administrator of the estate of Henry S. Pitcher, a former tax collector of San Mateo county. Mr. Pitcher was appointed by the superior court as administrator on August 19, 1897. The estate is appraised at \$4255.95 and claims to the amount of \$4356.95 have been allowed by the court. The only heirs at law were John Pitcher and his brother Edwin P. Pitcher, who died in 1898.

In 1909 Mr. Pitcher settled with the heirs of his brother buying their interest in the estate. After the appointment of Mr. Pitcher as administrator much litigation followed and for years the estate was kept in the probate court. The estate will now be settled. Ross and Ross are the attorneys for Mr. Pitcher.

Henry S. Pitcher was the tax collector of the county for many years, having defeated the late John Edgar for the office in the campaign of 1886 by a slim majority of six votes. It was generally conceded at that time that Edgar would be successful in his bid for the republican nomination, and a republican nomination in those days was equivalent to an election. Edgar had been the deputy warden at San Quentin and came back to the county to reside only a short time before the election. This militated against him and he went down to defeat. This is the year that W. H. Kline was elected sheriff and he made Edgar his deputy. Some years afterwards Edgar was appointed warden at San Quentin but he never forgave the republican party of the county for his defeat by Pitcher, who hailed from Halfmoon Bay.

ARCHITECT ALLEN AGAIN IN TROUBLE

Glenn Allen, who designed the courthouse here and who was the architect employed by the board of supervisors to construct the building, is again in the limelight. He was constantly in trouble while in Redwood City. According to a complaint filed against him in the superior court of San Francisco Wednesday he has two wives.

The suit was filed by Sarah Lombard, 364 O'Farrell street, who asks for the annulment of her marriage to Allen on the ground that he was already married when she became his wife at San Rafael, in December, 1912. She says he married Nellie Allen at Worthington, Minn., in October, 1889.

Gerald C. Halsey, a former Woodside young man, is the attorney for second wife. He says Allen has two grown sons by his first wife.

Allen, he said yesterday, deserted his first wife more than twenty years ago and came to San Francisco. A year ago, after years of searching, she traced him to that city, and on her arrival learned that he had taken another wife.

The women got together, and the second wife, who is many years Allen's junior, left him immediately.

JUMPS FROM BALCONY AND IS INSTANTLY KILLED

Alfred Powle, while temporarily insane, jumped from a balcony at the Gardiner's Sanitarium Thursday morning and was instantly killed. The deceased had been an inmate of the institution for the past two months. He came from Wisconsin to the sanitarium to be treated for a nervous disorder. The body was brought to town by Deputy Coroner Walsh, who has impaneled a jury to inquire into the cause of death this

YOUNG MAN PASSES TO GREAT BEYOND

JOHN LYNCH SUCCEUMS TO LONG ILLNESS AND IS BURIED LAST TUESDAY

John Lynch passed away at his home here following an illness of over a year's duration. He suffered considerably but bore his pain with true Christian fortitude fully realizing that he would soon pass over to that other and better world where sorrow and suffering are unknown. He was surrounded by his relatives when the end came.

The funeral took place from the Church of the Nativity last Tuesday morning. A large cortege followed the remains to their last resting place in Holy Cross Cemetery.

John Lynch was the youngest son of the late Michael and Mrs. Lynch and father of John and William Lynch and husband of Mrs. Bee Lynch. He was born in Menlo Park thirty-three years ago and spent his whole life there, and was for many years connected with the famous Lynch Nurseries established by his father over thirty years ago.

Besides the relatives above mentioned the following sisters and brothers survive him: James T. Joseph B. and Michael Lynch, Miss Emily and Rose Lynch, Mrs. P. P. Roach, Mrs. D. E. O'Keefe and Mrs. William Wilson.

ANDERSON-DOYLE DRAW IN THIRD BOUT AT SAN MATEO

For the third time within two months Al. Anderson of Redwood City and Al. Doyle of Colma furnished the main attraction for the Floral City Club's boxing shows, when they came together last Tuesday night at San Mateo, and for the third time the bout ended with both men on their feet, and the judges were forced to render a decision as to which was the better man. The judges declared the fight a draw, which caused the Colma contingent to set up an awful roar. The north-end rooters are a bunch of hard losers, and if their hero is on his feet at the final gong they always claim they are entitled to the decision, no matter how badly he may have been beaten. The verdict of the judges in this contest, however, was absolutely fair, and while the fight itself was a poor exhibition, neither of the boys had any advantage and it would have been unfair if either of them had been given the decision.

The bout was particularly disappointing to the Redwood City fans, who were well represented at the ringside. When these boys hooked up about three weeks ago, Anderson proved to the satisfaction of the local fans that he had the boy from

GORDON SEELY WINS FIRST JURY TRIAL

Gordon Seely, the young son of Judge Seely, was successful in his first jury trial in his father's courtroom, Judge McCormick of San Mateo sitting for Judge Seely, last Tuesday.

He appeared for George Tribolet, who was arrested last Sunday at the Spring Valley Lake by Game Warden J. Leahy and charged with shooting ducks out of season.

Attorney Richard Duke represented the state game warden. He produced several witnesses but none of them saw the young man shoot the ducks or saw the birds in his possession.

Young Seely placed no witnesses on the stand. He made an able argument to the jury, contending that in as much as no one saw Tribolet kill the birds, he could not be held for the crime charged against him.

Duke saw the point and tried hard to combat it but to no avail.

The jury was out only two minutes when it returned with a verdict of not guilty for want of sufficient evidence to convict.

Tribolet was rearrested on Wednesday on a warrant issued from Judge Lamb's court at Burlingame and charged with the crime of trespassing. It is hardly possible that this charge will be pushed against the young man who went to San Francisco yesterday to enlist in the army.

JOSEPH ROY McAULIFFE "SOMEWHERE IN FRANCE"

Mr. and Mrs. Joseph McAuliffe yesterday received a letter from their young son, Joseph Roy McAuliffe, stating that he arrived in France two weeks ago and is at work building railroads for the American troops. Last summer young McAuliffe enlisted in the railway engineering corps with Company B and for a while trained at American Lake. His parents were very much surprised yesterday to learn that their son was at the front. He has had some experience in engineering having for two years been an assistant in County Surveyor Neuman's office at the court house. He is a fine specimen of perfect physical manhood, being nearly six feet in height and weighing nearly 200 pounds. Young McAuliffe is not yet 22 years of age. He is a graduate of the local high school.

LOST—A lady's bar pin containing 6 rhinestones set in silver. Reward if returned to this office.

ANDERSON-DOYLE DRAW IN THIRD BOUT AT SAN MATEO

The Redwood City contingent figured that he would certainly stop Doyle before the fourth round was reached. The Redwood City boys, however, made by far the poorest showing that he has yet made in the San Mateo ring. Usually a wonderful judge of distance and an accurate hitter, he seemed to have lost complete control of himself. Tuesday night and to watch him floundering about the ring, it was hard to realize that he was the same boy that had given Doyle such a beautiful boxing lesson a few weeks before. Doyle, however, showed that he had great respect for Anderson's punching power and didn't take advantage of the many openings that were left.

Bobby Torres of Redwood City and Al. Weston of the Association Club fought the curtain raiser, and this bout was one of the best contests of the evening. Although this was only the second time that Torres had fought in the ring, he handled himself like a professional, and held Weston to a draw.

Altogether the card was a particularly good one, and most of the bouts were unusually interesting. A large crowd was on hand to witness the show.

J. B. KITTO, OF BELMONT, PASSED AWAY WEDNESDAY

J. B. Kitto, a native of England, aged 52 years, died at Belmont on Wednesday. He had been a resident of Belmont for the past five years and was well-known and highly thought of there. He was buried from the James Crowe Company's chapel yesterday under the auspices of Redwood City Lodge, No. 168, F. and A. M. Interment was in Woodlawn Cemetery, Colma.

EXECUTRIX FILES ACCOUNT

Elizabeth Fehr, widow of the late John Fehr, has filed her final account and petition for distribution of the last will and testament of her husband. The estate consists of real and personal property appraised at \$11,350. Deceased made a will in which he left all his estate and property to his widow, Jas. T. O'Keefe is attorney for the widow.

WORK AT CAMP TO GO AHEAD

WORK HALTED UNTIL MONDAY BUT WORKMEN ORDERED TO REMAIN AT CAMP

MENLO CITIZENS SEND APPEAL

Communication to Secretary Baker Strongly Urges Retention of Camp Fremont.

LATEST DISPATCH

Yesterday the government ordered all work stopped until Monday when it is thought it will begin with renewed energy. All the men were told to remain at the camp.

Next week more than 1000 workmen will be at work on the various structures throughout the camp. On Thursday work was commenced on the remount station at Ravenswood where from 10,000 to 20,000 horses are to be trained.

The people of Menlo Park are very hopeful that the camp will be completed and be even larger than at first planned. The Oregon engineers who were to go to Camp Greene in North Carolina were instructed yesterday to remain in Camp Fremont.

Information received yesterday from the Lindgren Company, Fremont, that work will begin within the next two days to complete the camp. Captain W. G. Fleischman would not confirm or deny this. The Lindgren people are hiring all the workmen they can get. Every team available is at work.

There are indications that the first division of the national guard may yet come to Camp Fremont to train. This will probably be definitely known today.

Mr. Rainey, secretary to Mayor James Rolph of San Francisco, held a midnight session at Menlo Park Wednesday, conferring with the prominent citizens urging them to telegraph Secretary Baker to complete the camp and that all sanitary considerations would be settled later. Mayor Rolph was at Menlo Park on Thursday. In speaking with the leading citizens he gave every assurance that the camp would be retained in Menlo Park. He, too, urged the citizens to telegraph Secretary Baker.

Mr. Rolph said that Senator Phelan, Senator Hiram Johnson, Congressman Kahn and Congressman Hayes were working like Trojans for the camp. Mr. Rolph gave as his opinion that President Wilson was in favor of the retention of the camp. This bit of news came from J. S. Dunnigan, secretary of the board of supervisors of San Francisco, who is at Washington conferring with the war officials. He was sent last week to the capital by Mr. Rolph. If this information be true, there is no doubt about the permanency of Camp Fremont.

The wire to Secretary Baker from the Menlo Park Citizens' Committee was as follows:

"We represent residents of Menlo Park with families, immediately adjoining Camp Fremont. Our entire neighborhood is aroused to highest pitch of indignation over the dispute between State authorities and Army officials regarding sanitation and thus causing reports that you are likely to close camp immediately. We have joined with municipal officials in securing this camp for War Department, and immense sums have been expended by you and pledged by citizens' committee for equipment of what has been called by Army officials the finest training camp in the United States. We respectfully urge that Camp Fremont be completed according to plans of the War Department and that military authorities be directed by you to go ahead and finish the camp. If any unsanitary conditions are likely to arise, they can be corrected. The whole controversy is too trifling for you, Mr. Secretary, to deprive California of this camp after all details have been completed and large sums of money expended in preparation thereof. We earnestly ap-

CHRISTOFFERSON SCHOOL TO BOOM

The Christofferson Aircraft Manufacturing Company's plant located near Redwood City will soon be a bee-hive of industry according to a report here yesterday.

A deal is now pending by means of which the plant, which has been idle since the death of Elias Christofferson, will pass to the control of a syndicate made up of San Franciscans of means, who contemplate extensions to the plant that will make it the largest in the West.

It is believed the government will award the syndicate large contracts to build aircrafts of every kind. Over 300 persons will be employed at the factory, many of whom will be women.

The Christofferson school for aviators will be conducted independent of the factory and it will be enlarged. It is said the government intends to send 500 young men here to train.

DAVID STARR JORDAN SPEAKS ON "TEMPERANCE"

A fine audience listened, Sunday evening at the Baptist auditorium, to a most remarkable address on Temperance by Dr. David Starr Jordan. It was out of the ordinary temperance addresses; resting upon a scientific presentation. The doctor first spoke of the wonderful composition and function of the brain. The brain controls all other parts of the body. The hands and feet simply act as the brain directs.

Alcohol is made from sugar. Sugar contains alcohol and carboic acid. In fermentation, certain organisms tear the sugar apart, liberating the alcohol and carboic acid. When pure, alcohol is a deadly poison, and will kill at once. Some drinks, such as beer contain from 2 to 10 per cent alcohol, and such drinks as whiskey contain from 40 to 60 per cent. Alcohol disturbs the nerves; it does not nourish. It deadens the highest part of man—the brain—first. The arguments put forth by the advocates of liquor that it gives verily to man in any measure is all a lie. Cuchny of London was the first to discover and declare the true nature of alcohol. He stated that if it were a new thing, it would every where be prohibited like any other deadly poison.

Even with meals, wine and beer are harmful. Alcohol is hard on the kidneys and liver. The air is full of disease germs. Microbes are real things and if one does not believe it, he has but to have some injected into his blood to be convinced. A healthy, normal body is able to throw off these microbes. All through the body there are very minute agents, or germs, called phagocytes. It is the mission of these germs to war against disease germs or microbes. When a microbe lodges in the body these phagocytes immediately attack it and drive it out. But alcohol admitted into the system deadens these phagocytes so that they can not do their work, and the microbes are thus able to bring on disease. It is because of this that the death rate is greater among those who drink than among those who do not. The saloon has no rightful place in society. If we banish it, we save the lives of our boys and the character of the town and community. The saloon is not satisfied in carrying on its trade with the confirmed drunkard and habitual drinker; it tries to bring in the boys.

In closing, the doctor said that his acquaintance with Secretary of War Baker, gave him authority for declaring that if the camp at Menlo remained, the saloons of Redwood City must go.

As residents living alongside of the camp, to your sense of fairness to sweep aside petty disputes and decide promptly that Camp Fremont shall remain as originally planned.

"CITIZENS' COMMITTEE, MENLO PARK, Major Philip Wales, U. S. A., Retired, President. W. L. Growall, Past President."

TOWN TRUSTEES COMPELLED TO INCREASE CITY'S TAX RATE

The chief matter of public interest to come before the adjourned meeting of the city council last Monday evening was the fixing of the annual budget of city expenditures, upon which the tax rate for the coming year will be determined. After careful pruning it was determined that the least amount which could be safely fixed would be \$35,588.36. Of this sum, \$14,435.11 is required to meet payments of bonds falling due and interest coupons.

For the general fund it was determined to raise \$20,040.03. This is an increase of nearly \$1,900 over that of this year, due to the increased cost of many items of expenditure and to the fact that the income from saloon licenses will be reduced by about \$800, owing to the retirement of two saloons.

For the library fund \$1,113.22 will be raised. This is a slightly less amount than that appropriated for the present year, owing to the fact that the fund will begin the year with a fair balance to its credit.

To raise this amount it will be necessary to levy a tax of \$1.63 in the "old town" and \$1.57 in the "annex". This represents a raise of about 11 1/2 cents over the present rate, due largely to a decrease in the valuation of the assessment roll.

COLORED RESIDENT FILES DAMAGE SUIT

ALFRED FRIEDMAN, DEFENDANT IN SUIT CAUSED BY SPEEDING AUTOMOBILE

Joseph Clanton, a colored resident of Redwood City, through his attorney, Joseph J. Bullock, has filed suit in the superior court against Alfred Friedman of San Francisco, for damages to the amount of \$5,530.50.

According to the complaint, Clanton, employed as a gardener on the Pike residence in Wellesley Park, was crossing the State highway at the intersection of Broadway, in the town of Redwood City on July 22nd of this year, when he was struck by an automobile driven by Friedman. He said the automobile was traveling at the rate of 25 miles per hour, on the wrong side of the road, and no warning was given of its approach. As a result of the accident, Clanton claims to have suffered a broken ankle and a severe nervous shock, which will leave him permanently injured.

Friedman is vice president of the Peoples Baking company of San Francisco.

The Redwood Transit Company was granted a five-year permit to operate a motor bus line through the city and to Menlo Park and Camp Fremont. The fare to Menlo Park and the camp is not to exceed 10 cents.

Bonita Parlor, N. S. G. W., was granted the use of the block on Broadway fronting the court house for the evening of September 7th for the purpose of holding a dance for the entertainment of the enlisted men at Camp Fremont.

Final action on the proposed improvement of Vera avenue was postponed until the date of the first regular meeting of the council in January next. This action was taken with the understanding that if at that time there is a fair prospect of securing a reasonable bid for the work the street will be paved next spring.

Applications for appointment as expert accountant to make the annual audit of the books of the city were received from R. A. Brotherton of Oakland O. J. Rambo of Sacramento and W. J. Kidd of Burlingame. As no estimate of the cost of the work was given the applications were referred to the finance committee.

As next Monday is a legal holiday, the next meeting will be held Tuesday evening.

TAKES UP CAUSE IN FAR-AWAY HAWAII

GEORGE BETTIN, FORMER LOCAL BOY, JOINS TRAINING CAMP AT SCHOFIELD BARRACKS

George Bettin, a former Redwood City young man, who has been teaching in Mills College, Honolulu, for the past two years, has entered the officer's training camp at Schofield Barracks, Hawaii, to prepare himself for a commission in the regular army.

Young Bettin was one of one hundred successful applicants in the training camp. He expects to see three months of hard work when he will secure his commission and be sent to the states, probably Camp Fremont, to finish his training, when he will be sent to the front in France.

Mr. Bettin has certainly shown his patriotism by leaving a lucrative position with hope of advancement to join the colors and give up his bright future to serve his country and this is the spirit that should actuate all young Americans and it is pleasing to note that but with a very few exceptions this patriotic spirit prevails among all the young men.

"THE SHOW SHOP OF THE PENINSULA"

HART SCHAFFNER & MARX CLOTHES are all-wool; they are honestly tailored; the style is good; they will wear a long time; the colors are fast and will not fade. Here are serges, hand finished worsteds at \$25 and up. We'd like to have a chance to show them to you, together with the shirts, hats and other good merchandise. Everything we sell is guaranteed to give you satisfaction. Satisfaction means to us just what it does to you. If you aren't pleased, you get your money back.

Come in any time you are in town; you don't need to buy a thing. Make this store your headquarters; use our phone; check your bundles. You'll like the friendly spirit here.

RECRUITER SAYS ARMY IS A BENEFIT TO MANY

(By Chester Nye)

The benefits derived from enlisting in the army are great in number. The discipline and responsibilities that army life teach a man are good for him, whoever he is, or whatever plans he may have for his future. It educates him so that he is able to care for himself in civil life, or to advance in the army if he wishes to remain. A few years ago the chances for an enlisted man to win a commission were very slight, but today they are so good that some young men prefer enlisting and working up, to taking a course at West Point. There are numerous commissioned officers who rose from the ranks. I have yet to see an officer who would not help an enlisted man to advancement in every way possible. Many families would find a pleasing improvement in their sons if they would put them in the army for an enlistment. The moral, physical and mental benefits derived, would justify the time invested.

Enlist in one of the several branches of the United States Army at Palo Alto. The recruiting office has been established for some time. I seems as though in many cases that the "Job" was waiting for applicant, and it is so in many cases to come. The several positions to fill gives an excellent chance for the applicant to choose something that he is best fitted for, and can learn something practical which will benefit him in civil life.

The positions to fill are as follows: clerks, stenographers, motorcycle and automobile repairers, chemists, men of scientific knowledge, bakers, telegraphers, cooks, boatmen, pontoon bridge builders, construction engineers, high explosive handlers, teamsters, plumbers, chauffeurs, and numerous other positions which skilled and unskilled laborers can fulfill. Go to the recruiting office and see what you can secure to do service for Uncle Sammy.

Those desiring to be accepted for enlistment will call on Private Chester Nye at the Recruiting office, Mari-posa Hotel, Room 7, No. 204 University avenue, Palo Alto. For appointments at night, address a postal card or phone Palo Alto 799-J.

Halfmoon Bay Items

George Gilcrest, of San Francisco, accompanied by several friends spent a couple of days in this vicinity hunting for deer.

Mr. and Mrs. H. L. Nelson returned last Saturday from their vacation trip spent at Lake Tahoe. Miss Lela Demos of Oroville came with them.

The Wednesday afternoon club held its regular meeting at the home of Mrs. W. A. Brooke where the members enjoyed a very pleasant time. The next meeting will be with Mrs. Joseph Daneri on Wednesday, Sept. 6th.

Seaside Parlor No. 95, N. S. G. W., will give a dance in D. E. S. hall on Saturday evening, September 8th. F. M. Gonzales will be the floor manager, and Prof. H. C. Hall Jr., the floor director. Good music and a good time for everybody.

J. J. Gomez has written from New York that the aviation corps to which he belongs is on its way to France.

The Misses Wonetta and Enright of San Francisco were the guests of the J. H. Quinlans last Sunday.

Mrs. Mary Brooke of Sacramento, mother of Dr. W. A. Brooke, who had been staying at her son's home for a number of weeks, motored last Friday to Oakland with the doctor. She intends to remain in Oakland for some time before returning to Sacramento.

Miss Mabel Andrews who had been spending a week at Dr. Johnson's home, has gone for another week's stay at Nye's Hotel at Moss Beach. Miss Andrews is a trained nurse connected with the Buena Vista hospital in San Francisco.

Daniel Sauer and wife and friends motor down from Granada every Sunday to attend the Methodist church.

H. H. Main of San Francisco formerly identified with the Central California Tourist Association, has been appointed manager of the Wideman estate in place of the late E. A. Eaton, who was killed in an automobile accident June 13th, last. Mr. Main paid the local Chamber of Commerce a visit on his trip to Pescadero, one day this week, and said howdy to the secretary, Mrs. J. W. Johnson, in whom he quite unexpectedly recognized a former associate, and co-worker.

Mrs. Sarah Emerson and daughter Margaret are expected from Oakland today. The Rebekahs hold their regular meeting this evening and Mrs. Emerson is the Noble Grand.

SUITS DISMISSED

The suits entitled Loren Coburn against Frank Macchi, and Loren Coburn against Gual Macchi were dismissed in the superior court on Tuesday for want of prosecution. Notices of dismissal were filed in the county clerk's office on Thursday.

COUNTY SUPERVISORS HOLD ADJOURNED MEETING

The board of supervisors met in adjourned session Monday, August 27th at 10 a. m., there being present Dr. C. V. Thompson, presiding; T. L. Hickey, Wm. M. Brown, John MacBain and Jos. M. Francis.

The board took up the hearing of the Redwood Transit Company for a permit to run its busses between Redwood City and Camp Fremont at Menlo Park.

There were no protests received and the board, on motion of MacBain, seconded by Hickey, granted the permit for a period of five years.

The application of G. Tomie of Princeton for a permit to conduct dancing in connection with his liquor license was received and given its first reading. It will be acted upon at the next meeting of the board, Tuesday, September 4th.

Contractor P. H. McEvoy, with his attorney, J. J. Bullock, appeared before the board in the matter of his two claims amounting to \$1509.70 and \$100.42 for work performed in connection with his contract, for building a portion of the "Skyline" boulevard.

County Surveyor J. V. Neuman presented his estimates for the above work in the sum of \$1065.33 on the one claim, and \$40.10 on the other claim.

Contractor McEvoy addressed the board and asked the members to listen to arguments over the disputed items in the claims, but the board could not see its way to do anything further than to accept the recommendation of the county surveyor and on motion of Brown, seconded by MacBain, passed the claims only for the amount allowed in the Neuman estimate.

On motion of Brown, seconded by MacBain, Supervisor Hickey was granted permission to leave the State for a period of sixty days in order to attend a convention of insurance men to be held next month in Michigan.

Supervisor MacBain presented a deed signed by Joseph Larkin and others conveying to the county a strip of land between the Southern Pacific Railroad Company's right of way and Santa Cruz avenue in Menlo Park, to allow the widening of Golden Lane.

On motion of MacBain, seconded by Brown, the deed was accepted and ordered filed.

Ordinance No. 292 regulating certain classes of business commonly termed amusements was adopted on motion of MacBain, seconded by Brown.

Supervisor MacBain addressed the board relative to trading in the county automobile used by the sheriff's office for a new machine. The matter was ordered referred to County Purchasing Agent E. L. Werder by Chairman Thompson with orders to the former to report back to the board.

Supervisor Francis addressed the board and stated that the Ocean Shore Railroad Company had taken no action as yet toward removing the obstructions at their crossing at Fertile which they had been requested to do by the board some time ago.

Supervisor Francis said there was some questions as to whether the county would have to put in an overhead crossing. The matter was referred to Surveyor Neuman to take up with the railroad commission.

The request of Lorenzo Guidani, saloon keeper at Pedro Valley, that he be permitted to withdraw his liquor license and have his money refunded, was granted, on motion of Brown, seconded by MacBain. Guidani, it was explained by County Tax Collector McSweeney, has enlisted in the U. S. army.

The request of Chairman Thompson that he be allowed to repair a ridge in his district at a cost not to exceed \$300, was granted, on motion of Francis, seconded by Brown.

On motion of Hickey, seconded by Brown, the sum of \$1000 was ordered transferred from the First Road Fund to the Loma Park Fund Improvement Fund.

On motion of Brown, seconded by MacBain, it was ordered that the money received from the Good Roads and Motor Vehicle Fund of the State for automobile fines and amounting to \$13,520.55, be apportioned equally among the five road districts of the county.

The board adjourned at 11:55 a. m., to Tuesday, September 4th.

NEWS FROM WOODSIDE

Mrs. Al. Neuman has returned from a motor trip in the southern part of the state. While away she visited La Juana, San Diego, Los Angeles and Santa Barbara. She was arrested twice for speeding. In the south the speed laws are strictly adhered to. Mrs. Neuman was accompanied on the trip by Miss Helen Hooper and Miss L. Smith, who enjoyed the outing very much. The party was gone two weeks.

All of the dancers of Woodside will be at the Young Bachelors Grand Ball tonight in the Foresters Hall. The prize waltz contest commences at 11:15 and some of the waiters of Woodside will sure be seen in the contest.

JOIN "HOME GUARDS" THEY NEED YOU

There are several vacancies in the Home Guard owing to physical disabilities of some of the members and to the fact that a number of the young men were drafted and others joined the army. Anyone desiring to join the Home Guard to fill these vacancies may appear at the gymnasium next Tuesday night at 7:30 o'clock, when their names will be enrolled.

Churches Services

"The Greatest Thing Yet"

Next Sunday evening, at the forum meeting, Baptist Auditorium, "Billy" Williams will give his famous lecture, "The Last Romp With the Tiger".

This lecture has been given twelve times in San Jose, over 225 times in California, and nearly 3,000 times in the United States and Canada. It is a realistic presentation of the effect of "strong drink" upon a man, told

"BILLY" WILLIAMS

by one who knows by experience. Mr. Williams is booked for this lecture into the far East, and will soon start on his lecture tour. Before his return to his home in San Jose he will appear before churches and Y. M. C. A.'s in New England, as well as in many of the intervening states. Mr. Williams is a regular Chatauque lecturer, appearing on the same platform with "Billy" Sunday. This is his first visit to Redwood City, and a full house may be expected. The meeting will begin at 7:30.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Arthur Loder, who has been the local collector for the telephone company for some months, has resigned his position to take a more lucrative situation with a Palo Alto grocery firm.

Mr. and Mrs. John D. Cook depart for their future home in Boulder, Colorado next Monday. Mrs. Cook was formerly Miss Grace Steinberger and is the daughter of our esteemed fellow townsman, Henry Steinberger.

R. D. Cruickshank, the San Carlos nurseryman, has been appointed chief gardener by Howard Throckmorton, the New York millionaire, of his big estate at Los Gatos. Mr. Cruickshank is recognized to be one of the most skillful horticulturists in the state.

Series 100 of the stock of the San Mateo County Building and Loan Association will open today for subscriptions. There is no better investment in the state than in this stock. No investment makes a better return. Buy today and get in on the ground floor.

Little Carrie Johnson, the eight year old daughter of Mr. and Mrs. E. Johnson, residing on Eaton avenue in this city, was operated upon for appendicitis last Tuesday by Dr. J. P. H. Dykes at the Redwood City hospital. The little girl is out of danger and will soon be convalescent.

George S. Gilbert killed a two point buck weighing 175 pounds on his mountain ranch near Woodside yesterday. The deer was the largest killed in the county this season. Mr. Gilbert is recognized to be one of the most expert deer hunters in the county. The season closes on September 14, being opened for only six weeks.

Clarence La Dieu has returned from New York having been absent from Redwood City for the past six months. He was the first assistant fireman on the steamer F. S. Priscow, which carried freight from all the seaports of the east coast. After a vacation of two weeks Mr. La Dieu vacation of two weeks Mr. La Dieu sea.

William Warren is remodeling his liquor store preparatory to engaging in the grocery business. He is preparing to lay in a large assortment of choice groceries of every kind which will be sold at bed rock prices. Mr. Warren is a good business man and is certain of success in his new enterprise. He will be ready to serve patrons in about ten days.

Lloyd Thrush, son of Mrs. James Ralston of this city, has been commissioned a second lieutenant in the cavalry branch of the U. S. army. He has been for some months in the officers' reserve training camp at Fort Dearborn, Illinois. Young Thrush is a graduate of the local high school. His mother received

the news of the appointment yesterday.

John F. Johnson, accompanied by his son, J. L. Johnson, a prominent attorney of Santa Cruz, left on Monday last on the steamer President for Los Angeles. After spending the fore part of the week there they departed for San Diego expecting to enjoy a week at that place. They expect to be absent in the south for a period of two weeks, during which time they will see nearly all the sights of the sunny southland.

Dr. E. T. Dykes, only son of Dr. and Mrs. J. P. H. Dykes of this city, has opened elaborate dental parlors at Point Richmond. The young man is greatly encouraged by the large number of patients he has received. Dr. Dykes graduated from the dental department of the College of Physicians and Surgeons at San Francisco last June. He is accounted one of the most skillful operators ever graduated from that institution.

John Lopez, an employee of the Frank tannery, met with a serious accident on Thursday evening while riding his motorcycle. He was at Five Points and made an effort to pass a load of lumber on the highway and in passing beneath the projecting pieces of lumber at the rear of the wagon was struck on the head and thrown to the ground. The extent of his injuries could not be obtained yesterday. It was thought that the severe jolt may have injured his spine.

Sergeant William H. Roach, aged 21 and Miss Olive G. Chapman, were united in marriage by Judge Seely on Wednesday. The best man was Sergeant Chapman, brother of the pretty bride, who has just turned twenty. Both young men are first sergeants in Company H, Third Oregon regiment, stationed at Camp Fremont, Menlo Park. The young soldiers expect to leave soon for Camp Greene in North Carolina.

Rev. C. A. Parker united in marriage last Wednesday in the Baptist church, Fred Voemans and Miss Marvella Grace Landreth. Mr. Voemans is a truck driver at Camp Fremont, being a member of Company 2, First California. Both young people hail from Sacramento. This is the second marriage to take place in Redwood City from the camp during the week.

From the 15th of September the local barbers will be forced by the Barbers' Union to advance their prices. Having come to a satisfactory compromise their slight advance will be as follows:

Shaving (including neck shave) 20c
Hair Cutting 40c
Children's Hair Cutting 35c
Children's Hair Cutting (Saturday) 40c
All Tonics 1 each 15c
All other prices as usual.

All barber shops in town will be closed at 12 o'clock on September 15th to celebrate Admission Day.

Tonight is the Night at Schroder's. Don't forget the shot gun to be given away by the Schroder pool room this evening. Secure your tickets and be on hand early to get the firearm. It's worth securing. Your boy may use it if you don't. Be high school. His mother received

Mr. Schaberg has also filed his inventory in the estate of Isabella Larned. The estate consists of lot 30, block 10, Crocker Estate tract and is appraised at \$1500.

H. C. Tuchen, inheritance tax ap-

Social Events About Redwood

Tonight—Big Night in Redwood City

Tonight is the night that the Young Bachelors of Redwood City hold their tenth Grand Ball in the Foresters' hall. There are no dances in the immediate vicinity tonight, and everyone will be at the Foresters' Hall. The prize waltz contest will commence at 11:30 and a great many fine waltzers will be seen competing for the six prizes. "The Bluebird Waltz" will be the selection to be played for the prize waltz instead of "Turn Back the Universe and Give Me Yesterday" as previously announced. Three judges that understand the waltz as it should be, have been selected and everyone who enters will be assured of a fair chance in the contest. The Young Bachelors cordially invite all spectators to come and witness the big event.

Card Party and Dance
A Most Successful Affair

The card party and dance given by the local Red Cross society in Foresters' hall Wednesday evening was the most successful, both financial and socially ever taken place in Redwood City. Fifty-two tables were in use to accommodate the card players and after the game the tables were removed and the dancers took possession of the floor until one o'clock. The society netted a neat sum of money for its good and noble work. The ladies deserve the thanks of the community for their hard work in making the affair the success it was.

Christensen Home
Scene of Gay Party.

Twelve young ladies of Redwood City and Belmont entertained as many young men from the quarter-masters corps and California engineers company of Camp Fremont at the home of Mrs. M. Christensen of North Palo Alto Tuesday evening, August 28th. The engineers, who have an eye for structural adaption, noticed immediately upon arriving at the Christensen home that the place was particularly fitted for dancing purposes. Dancing immediately became one of the features of the evening and there was plenty of "pep" to Mr. McDermott's music.

Old fashioned games were played in an enthusiastic and new fashioned fashion. Each gentleman present was the recipient of a small silk flag from his partner of the evening. Gerald Barry, an engineer with lots of Irish wit and an unconquerable tongue, helped admirably to keep "things a-going". He can talk Chinese and Swedish better than he can his own American language, it is said, and that's going some. The following ladies were present: Lydia Patrick, Lottie Bullivant, Anastasia Foley, Laura Emmett, Jane Lopenan, Miss Turner, Elaine Crowell and sister, Marguerite Diggs, Hazel Lamb, Emma Allen. The following were the young gentlemen present: Robert Atkinson, Lion de Young, Elmer Spencer, Victor Myers, Gerald Barry, Edward Peterson, Will S. Cooley, Jim Clausen, Eric Kettley, Ralph Fisher, and Jack Kellher.

Vexillia Society to Hold Picnic on Labor Day.

The big picnic of the society will be held next Monday, Labor Day, at Fernbrook Park, in Niles Canyon. Trains will arrive at Redwood at 10 o'clock. Tickets may be had at Ryan's drug store. There will be \$200 worth of gate and game prizes. This is one of the big social events of the Peninsula and no one should miss it.

Afternoon Bridge Club
Picnic at Congress Springs.

The Afternoon Bridge club of this city picknicked at Congress Springs last Wednesday. After enjoying the beauties of that attractive spot the ladies of the club spent the afternoon at bridge. The tempting lunch, spread under the shady trees, was much enjoyed by the club members.

182 MEN READY FOR CALL

The local exemption board has certified to the district board a list of 182 men who have already been drafted out of the first 807 men called in San Mateo county. The exemption are at work on the second call of 807 men and they will probably be certified to next week to make up San Mateo county's quota of 334. The adjutant general of the state has called for five per cent of the drafted men. San Mateo county's quota is 19 and these have not been selected yet. They will be chosen next Monday or Tuesday and they will have to go to American Lake to train. The board has not yet decided how the selection of the nineteen men will be made, it is believed, however, that the names appearing first on the draft list will be taken. Seven of the men certified to the board hail from Redwood City. They are: Raymond Laycox, Demetrius J. Kovres, Wolfgang Keinhofner, Dick Frederich Wilkie, Walter Max Lorenz, Joseph A. Roza, and James Lindsay Wilson.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

The stork left a baby boy at the home of Mr. and Mrs. F. Anderson, residing on Atherton avenue, Saturday, August 25, 1917.

The Ravenswood school opened on Monday last with 38 pupils in attendance. Miss Lattimer is principal and Miss Brown has the lower grades.

The Menlo dancers are sure of going home with one of the prizes in the Waltz Contest to be held at the Young Bachelors Grand Ball in the Foresters' Hall tonight.

Miss Josephine Faber has commenced a course of training in the Peninsula hospital, Palo Alto. She is the daughter of Peter Faber, the general mayor of Rannymede, the poultry section of San Mateo county.

St. Joseph's grammar and high school will open next Monday with increased classes. A splendid corps of teachers will take charge of the school for the fall term. All the students are urged to be present at the opening so that they may start the semester promptly.

A social dance will be given in Duff & Doyle hall every Tuesday and Friday evenings. The Manaton Orchestra will furnish the music. The dances will be properly conducted by competent persons. They are to be social events which will attract the respectable dance goers of the peninsula.

Vincent Sexton is in France with the engineering corps of the U. S. army. Some months ago he went with the railroad engineers to American Lake to train and his friends supposed he was there until yesterday when his brother received a note that he was in France. Previous to joining the army he was employed in the Flood building, San Francisco, by the Southern Pacific company.

Major Wales has given fifty rare volumes to the local public library. The books will be a great addition to the library and will be read with interest by the numerous patrons. The major is a thorough public spirited citizen who believes in helping the community and not "knocking" it. If we had a few more men like Major Wales this locality would go forward instead of backwards as it has for some years past.

Mrs. John Doyle gave a birthday party at her home on Pine street on Thursday in honor of the third anniversary of the birth of her little daughter Jane. All the boys and girls enjoyed the nice things prepared for them by Mrs. Doyle. Games, dear to the hearts of the little ones, were played and after romping for an hour all partook of the refreshments that delighted the hearts of the kiddies.

In a communication received lately from the American National Red Cross office, all branches and auxiliaries are told to mobilize all available knitters whether members of the Red Cross or not. As an appeal has come from Mayor Grayson W. P. Murphy, Red Cross Commissioner for Europe, for 1,500,000 knitted sets, comprising sweaters, mufflers, wristlets, and socks. Wool for the above sets can be had at the Red Cross cottage, Middlefield road, Menlo Park.

Robert Jaye Flynn, who was a student at St. Patrick's Seminary for five years up until a few years ago, has received distinction across the seas. Yesterday one of his friends here received a letter from him stating that he had been decorated by the French government with the Croix de Guerre. Young Flynn has been with the Section No. 1 of the American ambulance since last October. He has served on the Verdun and Champagne fronts and received his decoration for bravery under fire on the road near Hill No. 304.
